

Cat Home Visit Guide

Helping keep your cat calm and stress-free during your home visit.

Before the Visit

- 1 Place your cat in a small, secure room (bathroom or hallway)
- 2 Avoid rooms with beds or hiding spaces
- 3 Have your cat ready 5–10 minutes before arrival
- 4 Close doors and windows
- 5 Add a familiar blanket for comfort

During the Visit

- 1 We use gentle, low-stress handling
- 2 Quiet voices and calm movements
- 3 Towels or calming aids may be used

After the Visit

- 1 Allow your cat to rest in a quiet space
- 2 Return to normal routine gradually
- 3 Contact us if you have concerns
